ROTAE ROMANAE AVDITORI

VINCENTIVS VGOLINVS S. D.

TA comparatum natura eſt vir ampliſſime, vt ſine aliqua ſuauitate animum, ſenſuſq; deliniente vix degere homines poſſimus. Verùm vt facilis eſt a delectatione gradus ad delictum, paucos reperias, qui non hoc in flexu hęreant, quod aiunt, ad metas. Puto, tum quia in voluptate modum habere difficile eſt; tum quod eſca, malorun q; omnium mater voluptas virtutem imitando nos fallit. Quare ſi quæ ſunt legitimę, & cum honeſtate coniunctę iucunditates, eę pręſtantia hominis vnicę ſunt dignę. Nàm ſi honeſtatem quæris, nihil laudabilius excogitari poteſt, quàm auctori vitæ noſtræ gratias cum hac etiam harmonicæ orationis gratia referre. Si verò voluptatem ſpectas, tanta ineſt Muſicæ, vt non homines tantum, ſed ipſas quoque feras rationis, & orationis expertes à muſicis concentibus affici ignoret nemo. Quia etiam hoc ſtudio Cælum teneri credidit Antiquitas: atq; idèo animam muſica delectari dicebant, quia in Corpus deferret ſecum vnà memoriam muſicæ, cuius fuerat in Cælo conſcia. Sed meræ nugæ sũt hæc nequæ, Chriſtianæ conſentanea veritati. Quamquam ego verius te in paucis numeroſa vocum in flexione delectari, vel ex hoc vno poſſem conficere, quod è Cælo animum iſtum, & complexionem, numerumque virtutum omnium ducis. Cùm ergo harmonicũ mihi edendum eſſet in lucem opuſculum, quod modulos habet in annua feſtorum ſanctorumque ſolennia, Te habui, quem ſeligerem primæ huic parti patronum humaniſſimum mihique gratiſſimum, Facit vt hoc pręmeferam non ſolum concentus virtutum tuarum abſolutiſſimus, quibus quicquid his ce modulis deeſt, abundè ſupplebitur: verùm etiam voluptas, quam ex muſicis capis; tum non vulgaris peritia huius liberalis oblectamenti. Addidit animos æſtimatio rerum mearum, quam præ Te ſepius honorificè tuliſti: impulit patriæ Ciuitatis communitas: coegere tua in me beneficia ſane non pauca. Quare dabis hoc promeritis tuis, meæque obligatæ aduerſum te fidei. Certè hoc videor mihi polliceri poſſe; ſi opuſculum hoc ſupprimi de cætero ſatius fuiſſet, tamen emitti debuiſſe hanc vnã ob cauſam, vt ingens tuæ in me humanitatis, ac beneuolentiæ argumentum exiſteret.

Illustrisſimo Domino

VALERIO SANCTACRVCIO
DOMINO MEO COLENDISSIMO

Vincentius Vgulinus felicitatem.

QVam amplum eſt in hominis animum muſici concentus imperium, tam diligenter, ac nauiter Reſpublicæ, ac Ciuitates bene laudabiliterque conſtitutæ cauerunt, ne Muſica, quæ ex hilarandis mentibus inuenta eſſet, ita eas emolliret, atque effeminaret, vt neruos omnes virtutis elideret. Repertique ſunt olim magiſtratus, qui Phenidem Citharedum excellentem, à quo duabus chordis aucta ſuauiter erat harmonia, obiurgarunt acriter, iuſſeruntque vt eas incideret, ſonoque, qui moribus obeſſet, abſtineret. Quæ me adhortata eſt cauſa, vt in rebus ſacris numeroſe, atque ex arte concinnandis quid quid in me eſt, ſi quid tamen eſt, operæ ac ſtudij collocarem. Tibi vero, vt hęc offerrem ſuaſit tum Pietas, quam cum muſicę ſtudio ita coniungis, vt quemadmodum apud Græcos illiberale olim habitum eſt, neſcire fidibus cancre; ſic tu nec nobile, nec romanum putes muſicam in ſacris carminibus ignorare: tum beneuolentia in me tua, deque meis rebus opinio ſane magnifica, adeo vt me moderatore ad hanc artem proficere non alienum à tua dignitate duxeris. Cuius humanitati cum ſatisfacere alia ratione non poſſim hiſce muſicis concentibus teſtatum omnibus volui, viuere me benignitati tuæ in perpetuum addictiſſimum Vale. Venetijs Kalendis Aprilis. Illustrisſimo Domino

VALERIO SANCTACRVCIO
DOMINO MEO COLENDISSIMO

Vincentius Vgulinus felicitatem.

QVam amplum eſt in hominis animum muſici concentus imperium, tam diligenter, ac nauiter Reſpublicæ, ac Ciuitates bene laudabiliterque conſtitutæ cauerunt, ne Muſica, quæ ex hilarandis mentibus inuenta eſſet, ita eas emolliret, atque effeminaret, vt neruos omnes virtutis elideret. Repertique ſunt olim magiſtratus, qui Phenidem Citharedum excellentem, à quo duabus chordis aucta ſuauiter erat harmonia, oburgarunt acriter, iuſſeruntque vt eas incideret, ſonoque, qui moribus obeſſet, abſtineret. Quæ me adhortata eſt cauſa, vt in rebus ſacris numeroſe, atque ex arte concinnandis quid quid in me eſt, ſi quid tamen eſt, operæ ac ſtudij collocarem. Tibi vero, vt hęc offerrem ſuaſit tum Pietas, quam cum muſicę ſtudio ita coniungis, vt quemadmodum apud Græcos illiberale olim habitum eſt, neſcire fidibus cancre; ſic tu nec nobile, nec romanum putes muſicam in ſacris carminibus ignorare: tum beneuolentia in me tua, deque meis rebus opinio ſane magnifica, adeo vt me moderatore ad hanc artem proficere non alienum à tua dignitate duxeris. Cuius humanitati cum ſatisfacere alia ratione non poſſim hiſce muſicis concentibus teſtatum omnibus volui, viuere me benignitati tuæ in perpetuum addictiſſimum Vale. Venetijs Kalendis Aprilis.
